**ORDER**

**This General Order replaces General Order 05-0006 on the same topic.**  
Effective November 2, 2009, a motion to extend or impose the stay pursuant to 11 U.S.C. §362(c)(3)(B) or (c)(4)(B) ("the Motion") will be subject to the following procedure:

**A. If the Motion is Filed No Later than Ten Days After Case Filing Date**

1. The Motion will be set for hearing, and notice of that hearing and the deadline for objections will be issued by the Court.
2. If, by the deadline, the debtor has filed an affidavit with sufficient facts to support the motion and no objection has been filed, then the Court may, in its discretion, rule on the motion without hearing, conduct a telephonic hearing, or make such other arrangements as will be most efficient for the Court and the debtor, including but not limited to excusing the debtor from appearing in person.

**B. If the Motion is Filed More than Ten Days After Case Filing Date**

1. The movant shall contact the Courtroom Deputy for the Judge assigned to the case and obtain a hearing date.
2. The movant shall send notice of the Motion and the hearing to those creditors as to whom it is proposed that the stay be imposed or extended. The movant shall file a certificate of service establishing such notice on or before the hearing date.
3. Debtor's attendance at the hearing may be required, even if no objection is filed.
